Amundi DAX II UCITS ETF Dist A Sub-Fund of the SICAV MULTI UNITS LUXEMBOURG

ISIN code: (D) LU2090062436

Managed by Amundi Luxembourg SA, a subsidiary of Amundi Group

Objectives and Investment Policy

The Fund is an index-tracking UCITS passively managed.

The investment objective is to track both the upward and downward evolution of the DAX Index ("Benchmark Index"), representative of the largest and most actively traded German companies that are listed on the Frankfurt Stock Exchange while minimising the volatility of the difference between the return of the Fund and the return of the Benchmark Index (the "Tracking Error").

The anticipated level of Tracking Error in normal market conditions is indicated in the prospectus.

Additional information about the Benchmark Index can be found at www.deutsche-boerse.com.

The Fund seeks to achieve its objective via a direct replication, by investing primarily in the securities comprising the Benchmark Index.

To optimize the Benchmark Index replication, the Fund may use a sampling replication strategy, and may also engage in secured securities lending.

The potential use of these techniques is published on Lyxor's website: www.amundieff.com.

Updated composition of the Fund holdings is available on www.amundieff.com.

In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the Fund, and might also be mentioned on the websites of the stock exchanges where the Fund is listed.

The Fund is eligible to the French Equity Saving Scheme (PEA), and as consequence, a minimum of 75% of the Fund assets are invested in diversified equities issued in the European Union.

The share currency is the Euro (EUR).

Invested financial instruments: International equities, financial derivative instruments.

Dividend Policy : the Sub-Fund's amounts available for distribution (if any) will be distributed annually.

The minimum recommended holding term is 5 years.

The Sub-Fund's shares are listed and traded on one or more stock exchanges. In normal circumstances, you may deal in shares during the trading hours of the stock exchanges, provided that the Market Makers can maintain market liquidity. Only authorised participants (e.g. selected financial institutions) may deal in shares directly with the Sub-Fund on the primary market. Further details are provided in the prospectus of the UCITS.
