

Paris, October 17, 2023

Dear Sir/Madam,

As part of its ongoing quality assessment and product development programmes, Amundi ETF has taken the decision to merge the Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF into the Amundi S&P 500 Climate Net Zero Ambition PAB UCITS ETF – which is a sub-fund of the Amundi ETF Irish Collective Asset Management Vehicle, or ICAV. We wanted to let you know and to explain a bit more about what comes next.

As of November 24, 2023, your Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF will be absorbed by the Amundi S&P 500 Climate Net Zero Ambition PAB UCITS ETF. At that point, you will hold shares in the Amundi S&P 500 Climate Net Zero Ambition PAB UCITS ETF instead of the shares you held in the Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF.

More details of this operation are explained in the attached “Notice to Shareholders: Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF” document. This notice, which has been approved by the CSSF, Luxembourg’s financial regulator, includes all the information Amundi ETF is required to give you. It tells you everything you need to know about the potential implications of this operation for your investment. We therefore recommend you read it carefully.

Do please note that after the merger, your ETF **will not be listed on the London Stock Exchange**, which means you will **not be able to hold this fund in a UK Individual Savings Account (ISA)**. If you do currently hold this fund in an ISA, you may wish to contact your ISA provider to understand what steps they will take on your behalf.

For more information, please contact your usual financial adviser. Alternatively, if you would like further information from us, please contact client services on +44 207 074 9598 or via e-mail at Retail-UK-ETF@amundi.com.

Thank you for your continued confidence in us.

Yours faithfully,

Arnaud Llinas

NOTICE TO SHAREHOLDERS: Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF

**Proposed Merger of
“Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF” (the “Absorbed Sub-Fund”) into “Amundi S&P 500 Climate Net Zero Ambition PAB UCITS ETF” (the “Receiving Sub-Fund”)**

What this notice includes:

- **Explanatory letter** of the proposed merger
 - **Appendix I:** Key differences and similarities between the Absorbed Sub-Fund and the Receiving Sub-Fund
 - **Appendix II:** Comparison of the features of the merging share class(es) of the Absorbed Sub-Fund and the corresponding receiving share class(es) of the Receiving Sub-Fund
 - **Appendix III:** Timeline for the proposed merger
-

Dear Shareholder,

As part of the ongoing review of the product range competitiveness and client interest assessment, it has been decided to proceed with the merger between:

- (1) **Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF**, a sub-fund of Multi Units Luxembourg, in which you own shares (the **"Absorbed Sub-Fund"**);

and

- (2) **Amundi S&P 500 Climate Net Zero Ambition PAB UCITS ETF**, a sub-fund of Amundi ETF ICAV (the **"Receiving UCITS"**), an Irish UCITS established as an umbrella fund with segregated liability between its sub-funds under the Irish Collective Asset-management Vehicles Act 2015, having its registered office at One George's Quay Plaza, George's Quay, Dublin 2, Ireland, registered under the laws of Ireland with number C461194 (the **"Receiving Sub-Fund"**);

(the **"Merger"**).

The Absorbed Sub-Fund and the Receiving Sub-Fund will hereinafter be together referred to as the **"Merging Sub-Funds"** (individually, a **"Merging Sub-Fund"**).

This notice is issued and sent to you to provide appropriate and accurate information on the Merger to enable you to make an informed judgement of the impact of the Merger on your investment.

Attention to the shareholders is drawn to the fact that the Receiving Sub-Fund will absorb two sub-funds on the same date: first Lyxor Net Zero 2050 S&P 500 Climate PAB (DR) UCITS ETF, another sub-fund of Multi Units Luxembourg (the **"First Merger"**) and then the Absorbed Sub-Fund. The First Merger is not subject to your prior approval, vote or consent.

Please note that the Merger and the First Merger will be processed automatically on the date indicated in Appendix III (the **"Merger Effective Date"**). It is not subject to your prior approval, vote or consent.

If you do not wish to participate to the Merger or the First Merger however, you can request the redemption or the conversion of your shares respectively in the Absorbed Sub-Fund for the Merger or in the Receiving Sub-Fund for the First Merger in accordance with paragraph C. of this notice. Otherwise, your shares in the Absorbed Sub-Fund will automatically be converted into shares of the Receiving Sub-Fund of which you will become shareholder as from the Merger Effective Date and, with respect to the First Merger, you will automatically participate to the First Merger on the Merger Effective Date in accordance with the terms and conditions of this notice.

Please take a moment to review the important information below. Should you have any question with respect to this notice or the Merger, please contact your financial advisor. Alternatively, you may also contact the management company by mail sent at:

The Board

A. Comparison between the Absorbed Sub-Fund and the Receiving Sub-Fund and impact on shareholders

The Absorbed Sub-Fund and the Receiving Sub-Fund both are compartments of undertakings for collective investment in transferable securities (UCITS) of Amundi. Although they are not domiciled in the same European jurisdiction and, therefore, are not supervised by the same regulatory authority, the Absorbed Sub-Fund and the Receiving Sub-Fund both are subject to EU harmonised UCITS legislation and offer similar investors protection. Also, the Receiving UCITS and the Luxembourg UCITS-SICAV Multi Units Luxembourg both exist under a form of public limited company qualifying as an investment company with variable capital and generally offer similar shareholders rights to their respective shareholders.

As further detailed in Appendix I, the Absorbed Sub-Fund and the Receiving Sub-Fund share similar key features, including management process, target asset class and geographic exposure, but differ in some respect notably in terms of tracked index and service providers. Although they do not seek to track the same index, both Merging Sub-Funds seek to provide exposure to the performance of the leading securities traded in the USA.

It should also be noted that the Receiving Sub-Fund has adopted the International Central Securities Depository ("ICSD") settlement structure for the settlement of trading in its shares. Under the ICSD settlement structure, the aggregate holdings of all investors will be evidenced by a global share certificate and the sole registered holder of all shares in the Receiving Sub-Fund will be a nominee of the common depository. Under the ICSD settlement structure, investors who are not participants in the ICSD will need to use a broker, nominee, custodian bank or other intermediary which is a participant in the ICSD settlement structure to trade and settle shares. The chain of beneficial ownership in the ICSD settlement structure may therefore be similar to existing nominee arrangements under the settlement model adopted by the Absorbed Sub-Fund.

Shareholders in the Absorbed Sub-Fund should benefit on the longer term from greater levels of operational efficiency and the economies of scale this Merger should allow to achieve, while getting exposure to the same target asset class(es).

	Absorbed Sub-Fund	Receiving Sub-Fund
UCITS home Member State	Luxembourg	Ireland
UCITS supervisory authority	Commission de Surveillance du Secteur Financier (CSSF)	Central Bank of Ireland (CBI)
Legal form	Société d'investissement à capital variable	Irish Collective Asset-management Vehicle
Index	MSCI USA ESG Climate Transition (EU CTB) Select Net Total Return Index	S&P 500 Net Zero 2050 Paris-Aligned ESG+ Index
Investment Objective	The investment objective of the Absorbed Sub-Fund is to track the upside and downside evolution of the MSCI USA ESG Climate Transition (EU CTB) Select Net Total Return Index (net dividends reinvested) (the " Index "). The anticipated level of tracking error under normal market conditions is expected to be up to 0.50%.	The investment objective of the Receiving Sub-Fund is to track the performance of the S&P 500 Net Zero 2050 Paris-Aligned ESG+ Index (the " Index "). In normal market conditions, it is anticipated that the Receiving Sub-Fund will track the performance of the Index with a tracking error of up to 1%.
Investment Policy	Direct replication as further described in the Absorbed Sub-Fund and the Receiving Sub-Fund prospectus. For additional information, please refer to Appendix I.	

Appendix I to this notice provides additional information on the key similarities and differences between the Absorbed Sub-Fund and the Receiving Sub-Fund. Shareholders are also invited to carefully read the description of the Receiving Sub-Fund in its prospectus and relevant key investors information document (K(I)ID), which will be available on the following website: www.amundiETF.com.

The Merger of the Absorbed Sub-Fund into the Receiving Sub-Fund may have tax consequences for certain shareholders. Shareholders should consult their professional advisers about the consequences of this Merger on their individual tax position.

✓ **UK retail investors.**

The Absorbed Sub-Fund is currently registered with the UK's Financial Conduct Authority (the "FCA") for distribution to all investors under the FCA's Temporary Marketing Permissions Regime ("TMPR"). The legal fund structure under which the Absorbed Sub-Fund sits will however be transferred outside of the TMPR in March 2023.

The TMPR was originally intended to allow firms based within the European Economic Area to continue marketing funds into the UK for up to three years after the end of the Brexit transition period, provided they notified the FCA of their intention to do so prior to 31 December 2020. It was subsequently extended to five years i.e. to the end of 2025 for UCITS funds.

The window for registration is closed, so funds which were not registered prior to end 2020 cannot now be marketed into the UK. That applies to legal entities too, and because the Amundi ETF Irish Collective Asset Management Vehicle – the umbrella structure under which the Receiving Sub-Fund sits – was launched after 31 December 2020 it cannot benefit from TMPR.

The transfer will have the following implications for your investment:

- (a) The Receiving Sub-Fund will not be listed on the London Stock Exchange, which may mean that you are no longer able to trade shares in it as you once did with the Absorbed Sub-Fund. You may wish to contact your ISA account manager to find out more about what this means for you
- (b) Your existing investments in the Absorbed Sub-Fund will no longer benefit from tax exemptions such as those enjoyed in the Individual Savings Account ("ISA") wrapper (see below).

Individual Savings Accounts:

As the Receiving Sub-Fund is not recognised under the UK TMPR and does not otherwise meet the necessary conditions, shares in it will not qualify to be held in an ISA. If you currently hold shares in the Absorbed Sub-Fund through an ISA, it will therefore be necessary for you to arrange for those existing shares to be sold prior to the Merger, or for your relevant ISA account manager to take the appropriate action for you in order to preserve the full weight of the tax benefits attaching to your ISA.

Should you choose not to do anything, your ISA account manager should take the appropriate actions on your behalf, but we cannot guarantee when.

You should note that shares which are currently held indirectly in the Absorbed Sub-Fund through an ISA via a fund of funds (whether UK-authorized or EEA UCITS-recognised under TMPR), or any other arrangement that is a qualifying investment for ISA purposes, should not be affected by this merger.

Self-invested personal pensions:

The Receiving Sub-Fund is eligible for self-invested personal pension (SIPP) purposes under UK tax law. Nevertheless, each SIPP provider may impose its own restrictions.

If you are in any doubt about the course of action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional advisor.

✓ UK professional investors and fund managers

The Absorbed Sub-Fund is currently registered with the UK's Financial Conduct Authority (the "FCA") for distribution to all investors under the FCA's Temporary Marketing Permissions Regime ("TMPR"). From March 2023, that will no longer apply. The Receiving Sub-Fund will instead be registered with the FCA under the UK's National Private Placement Regime ("NPPR") which will ensure it remains accessible to professional investors and fund managers.

This change means the Receiving Sub-Fund will be listed on a European stock exchange (e.g., Xetra) but will no longer be listed on the London Stock Exchange.

B. Portfolio Rebalancing

Prior to the Merger Effective Date, the Absorbed Sub-Fund's portfolio will be rebalanced to align with the Receiving Sub-Fund's portfolio in view of the Merger so that no rebalancing of the Receiving Sub-Fund's portfolio will be required before or after the Merger. The Absorbed Sub-Fund will bear any transaction costs associated with such operation as and when incurred. Shareholders who remain in the Absorbed Sub-Fund during this period will therefore be subject to such costs.

Such operation will occur before the Merger Effective Date during the Absorbed Sub-Fund Freezing Period as indicated in Appendix III, depending on the market conditions and in the best interest of the shareholders.

During such short period before the Merger, the Absorbed Sub-Fund may not be able to comply with its investment limits and investment objective. As a result, there is a risk that the performance of the Absorbed Sub-Fund may deviate from its expected performance for a short-term period before the Merger Effective Date.

C. Terms and Conditions of the Merger

On the Merger Effective Date, all the assets and liabilities of the Absorbed Sub-Fund will be transferred to the Receiving Sub-Fund and shareholders of the Absorbed Sub-Fund who have not requested the redemption or the conversion of their shares in the Absorbed Sub-Fund in accordance with this paragraph C. will automatically receive registered shares of the relevant share class in the Receiving Sub-Fund and, if applicable, a residual cash payment. As from that date, such shareholders will acquire rights as shareholders of the Receiving Sub-Fund and will thus participate in any increase or decrease in the net asset value of the Receiving Sub-Fund.

The Merger exchange ratio will be calculated on the Merger Effective Date by dividing the net asset value of the relevant share class of the Absorbed Sub-Fund dated as at the Last Valuation Date (as defined in Appendix III) by the net asset value of the shares of the corresponding share class of the Receiving Sub-Fund.

In accordance with the above provision, the respective net asset value per share of the Absorbed Sub-Fund and the Receiving Sub-Fund as at the Last Valuation Date will not necessarily be the same. Therefore, while the overall value of their holding should remain the same, shareholders in the Absorbed Sub-Fund may receive a different number of shares in the Receiving Sub-Fund than the number of shares they had previously held in the Absorbed Sub-Fund.

Should the application of the exchange ratio result in an allocation of fractional shares in the Receiving Sub-Fund to a shareholder of the Absorbed Sub-Fund, the value of such holding following the application of the Merger exchange ratio will be rounded down to the nearest whole share and the value of the fractional entitlement will be distributed by way of a residual cash payment in the base currency of the relevant share class of the Absorbed Sub-Fund. Residual cash payments, where applicable, will be made to shareholders of the Absorbed Sub-Fund as soon as reasonably practicable after the Merger Effective Date. The time(s) at which shareholders of the Absorbed Sub-Fund receive any such residual cash payments will depend on the timeframes and, if applicable, arrangements agreed between

shareholders and their depositary, broker and/or relevant central securities depositary for processing such payments.

Any accrued income in the Absorbed Sub-Fund will be included in the final net asset value of the Absorbed Sub-Fund and accounted for in the net asset value of the relevant share class of the Receiving Sub-Fund after the Merger Effective Date.

Appendix II to this notice provides a detailed comparison of the features of the share class of the Absorbed Sub-Fund and the corresponding share class of the Receiving Sub-Fund, which shareholders are invited to read carefully.

The cost of the Merger and the First Merger will be fully supported by the management company of the Receiving UCITS, Amundi Ireland Limited.

In order to optimise the operational implementation of the Merger, no subscription, conversion and/or redemption orders relating to shares of the Absorbed Sub-Fund on the primary market will be accepted after the “Cut-Off Point” (as such term is defined in Appendix III). Orders received on the primary market after the Cut-Off Point will be rejected.

In addition, subscription, conversion and redemption of shares within the Receiving Sub-Fund will be temporarily suspended on the Merger Effective Date. Any subscription, conversion or redemption request on the primary market received by the Receiving UCITS, the Receiving UCITS’ management company, the Distribution, Paying or Information Agent, for an execution on the Merger Effective Date will be executed on the following valuation day.

Shareholders who do not agree with the terms and conditions of this Merger or the First Merger (as described further below) have the right to redeem or convert their shares at any time free of charges (excluding redemption fees charged by the Absorbed Sub-Fund to cover divestment fees and except for the fees acquired by the Absorbed Sub-Fund to prevent dilution of shareholders investment) from the date of this notice until the “**Cut-Off Point**” as set out in Appendix III.

Nevertheless, placing an order on the secondary market will trigger costs over which the management company of the Absorbed Sub-Fund has no influence. Please note that shares that are purchased on the secondary market cannot generally be sold back directly to the Absorbed Sub-Fund. As a result, investors operating on the secondary market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the management company of the Absorbed Sub-Fund has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

Such a redemption would be subject to the ordinary rules of taxation applicable to capital gains on the sale of transferable securities.

The Merger will be binding on all the shareholders of the Absorbed Sub-Fund who have not exercised their right to request the redemption or the conversion of their shares within the timeframe set out above. The Absorbed Sub-Fund will cease to exist on the Merger Effective Date and its shares will be cancelled.

D. First Merger

On the Merger Effective Date, shareholders of Lyxor MSCI USA ESG Climate Transition CTB (DR) UCITS ETF who have participated to the Merger will now be shareholders of the Receiving Sub-Fund. On such Merger Effective Date, all the assets and liabilities of Lyxor Net Zero 2050 S&P 500 Climate PAB (DR) UCITS ETF, another sub-fund of Multi Units Luxembourg (the “**First Absorbed Sub-Fund**”) will be transferred to the Receiving Sub-Fund. Shareholders in the Receiving Sub-Fund should benefit from the increased investment capacity in the Receiving Sub-Fund and the economies of scale this First Merger should allow to achieve.

Prior to the First Merger, the First Absorbed Sub-Fund's portfolio will be rebalanced to align with the Receiving Sub-Fund's portfolio in view of the Merger so that no rebalancing of the Receiving Sub-Fund's portfolio will be required before or after the First Merger. No material impact on the portfolio of the Receiving Sub-Fund is expected. The First Absorbed Sub-Fund will bear any transaction costs associated with such operation as and when incurred.

Any accrued income in the First Absorbed Sub-Fund will be included in the final net asset value of the First Absorbed Sub-Fund and accounted for in the net asset value of the relevant share class of the Receiving Sub-Fund after the Merger Effective Date.

On implementation of the First Merger, shareholders in the Receiving Sub-Fund will continue to hold the same shares in the Receiving Sub-Fund as before and there will be no change in the rights attached to such shares. The characteristics of the Receiving Sub-Fund will remain the same after the First Merger Effective Date and the implementation of the First Merger will not affect the fee structure of the Receiving Sub-Fund.

E. Documentation

The following documents are at the disposal of shareholders for inspection and for copies free of charge during normal business hours at the registered office of the Absorbed Sub-Fund:

- the common terms of Merger;
- the latest prospectus and KID of the Absorbed Sub-Fund and the Receiving Sub-Fund;
- copy of the merger report prepared by the auditor in relation to the Merger;
- copy of the statement related to the Merger issued by the depositary of each of the Absorbed Sub-Fund and the Receiving Sub-Fund.

A copy of the merger report prepared by the auditor in relation to the First Merger is also at the disposal of shareholders for inspection and for copies free of charge during normal business hours at the registered office of the Receiving Sub-Fund.
