Amundi EUR Ultra Short-Term Bond Active UCITS ETF Acc A Sub-Fund of AMUNDI ETF II ICAV

ISIN code: (A) IE000EDRD2Z8

This ICAV has appointed Amundi Ireland Limited, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy

This Sub-Fund is passively managed.

The Sub-Fund is a financial product that promotes among other characteristics ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

The objective of this Sub-Fund is to track the performance of €STR Index (the "Index"), and to minimize the tracking error between the net asset value of the Sub-Fund and the performance of the Index. The Sub-Fund aims to achieve a level of tracking error of the Sub-Fund and its Index that will not normally exceed 1%.

The Sub-Fund is actively managed by reference to and seeks to outperform (after applicable fees) the euro short-term rate (€STR) Index (the "Benchmark") over a recommended holding period of at least 1 year without targeting a particular level of outperformance. There is no benchmark used as a reference for portfolio construction. The Benchmark may only serve as a reference indicator for assessing the Sub-Fund's performance. There are no constraints relative to the Benchmark regarding portfolio construction. The Sub-Fund invests at least 70% of its net assets in fixed and floating rate euro-denominated, investment-grade corporate and government bonds, as well as money market instruments, including government bills and commercial papers, issued by entities located in OECD countries. At any time the portfolio includes at least 20% of securities with maturities exceeding two years. Additionally, the Sub-Fund may invest in bonds and money market instruments, including government bills and commercial papers, issued by non-OECD issuers, as well as securities denominated in currencies other than the euro, provided that such currency exposures are principally hedged back to euro. The Sub-Fund may also invest in high yield (non-investment grade) bonds. While complying with the above strategies, the Sub-Fund may also invest for up to 10% of net assets in other UCITS and, undertakings for collective investment ("UCI") in accordance with the requirements of the Central Bank. The Sub-Fund may use futures, options, forwards and/or swaps for hedging and efficient portfolio management purposes and may engage in securities financing transactions. The active investment process combines fundamentally-driven top-down and bottom-up strategies to build a diversified portfolio of high-quality, short-duration fixed income securities. The Sub-Fund is classified as Article 8 under Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector (known as the "Disclosure Regulation"). The positive contribution of environmental, social, and governance (ESG) criteria can be taken into account in investment decisions, without necessarily being a determining factor in that decision-making. The Sub-Fund seeks for its portfolio to achieve an ESG score greater than ICE BOFA 1-3 YEAR GLOBAL CORPORATE Index. The Sub-Fund does not target any particular outperformance of its ESG score compared to its investment universe.

Information on how the Index is consistent with environmental, social and governance characteristics is available in the prospectus.

More information about the composition of the Index and its operating rules are available in the prospectus and at: Veuillez saisir votre texte ici.

The Index value is available via Bloomberg (ESTRON).

The Sub-Fund integrates sustainability risks as outlined in more detail in section "Sustainable Investment" of the prospectus.

Dividend Policy : the accumulation share automatically retains, and re-invests, all attributable income within the Sub-Fund; thereby accumulating value in the price of the accumulation shares.

The minimum recommended holding term is 1 year.

The Sub-Fund's shares are listed and traded on one or more stock exchanges. In normal circumstances, you may deal in shares during the trading hours of the stock exchanges, provided that the Market Makers can maintain market liquidity. Only authorised participants (e.g. selected financial institutions) may deal in shares directly with the Sub-Fund on the primary market. Further details are provided in the prospectus of the ICAV.
