## Objective and Investment Policy

The investment objective of the Sub-Fund is to track both the upward and the downward evolution of the MSCI Europe Climate Action Net Total Return Index (the "Index"), denominated in Euros, while minimizing the volatility of the difference between the return of the Sub-Fund and the return of the Index (the "Tracking Error").

## Risk & Reward Profile (SRRI) (Source: Fund Admin)

Lower risk, potentially lower rewards  
Higher risk, potentially higher rewards

The SRRI represents the risk and return profile as presented in the Key Investor Information Document (KIID). The lowest category does not imply that there is no risk. The SRRI is not guaranteed and may change over time.

« Technical net asset values may be calculated and published for any calendar day (excluding Saturdays and Sundays) that is neither a business day nor a transaction day. These technical net asset values are merely indicative and will not be the basis for purchasing, switching, redeeming and/or transferring shares. »

## Returns (Source: Fund Admin) - Past performance does not predict future returns

Under the new ESMA rules, EU domiciled funds are not allowed to report performance returns if the fund is less than 12 months old.

## Index Data (Source : Amundi)

## Description of the Index

The Index is based on the MSCI Europe Index (the "Parent Index") and is representative of the performance of large and mid-cap stocks, across developed European countries, issued by companies that have been assessed to lead their sector peers in terms of their positioning and actions relative to climate transition, based on, among others, the MSCI "Climate Risk Management Weighted Average Score", while minimizing the volatility of the difference between the return of the Index and the return of the Parent Index.

**Socially Responsible Investment (SRI)**

The SRI expresses sustainable development objectives in investment decisions by adding Environmental, Social and Governance (ESG) criteria in addition to the traditional financial criteria.

SRI thus aims to balance economic performance and social and environmental impact by financing companies and public entities which contribute to sustainable development whatever their business sector. By influencing the governance and behaviour of stakeholders, SRI promotes a responsible economy.

**Evaluation by ESG criteria (Source: Amundi)**

	Index	Parent index
<b>Overall Rating</b>	8.15	7.87
<b>Environment</b>	7.18	6.84
<b>Social</b>	5.58	5.40
<b>Governance</b>	6.33	6.36

Parent index : **MSCI EUROPE**

**ESG criteria**

The criteria are extra-financial criteria used to assess the Environmental, Social and Governance practices of companies.

Environmental, Social, and Governance risks and opportunities are posed by large scale trends (e.g. climate change, resource scarcity, demographic shifts) as well as by the nature of the company's operations.

Scores are on a 0-10 scale, with 10 being the best.

**"E" for Environment** (Climate Change, Natural Resources, Pollution & Waste and Environmental Opportunities)

**"S" for Social** (Human Capital, Product Liability, Stakeholder Opposition and Social Opportunities)

**"G" for Governance** (Corporate Governance and Corporate Behavior)

**Carbon footprint****Carbon footprint: carbon emissions per euro million invested**

	Index	Parent Index
Total carbon portfolio footprint (Index/Parent index) :	74.05	108.51

**Carbon footprint**

This indicator measures the portfolio's carbon emissions in metric tonnes of carbon equivalent (tCO<sub>2</sub>e) per euro million invested.

This is an indicator of the emissions generated by investment in this portfolio.

**Definition of scopes :**

- **Scope 1** : all emissions that arise directly from sources that are owned or controlled by the company.

- **Scope 2** : all indirect emissions generated by the purchase or production of electricity, steam or heat.

- **Scope 3** : all other indirect emissions, both upstream and downstream in the value chain. To ensure the robustness of the data, in this report we have chosen to use only part of scope 3, i.e. upstream emissions linked to first-tier suppliers. First-tier suppliers are those with which the company has a strong relationship and on which it can exercise direct influence.

Source : The carbon emissions data is supplied by Trucost. It corresponds to companies' annual emissions expressed in tCO<sub>2</sub>e, which covers the six greenhouse gases defined in the Kyoto protocol whose emissions are converted into global warming potential (GWP) in CO<sub>2</sub> equivalent.

## Index Providers

The Sub-Fund is in no way sponsored, endorsed, sold or promoted by MSCI Inc. ("MSCI"), nor by any MSCI subsidiary, nor by any of the entities involved in establishing the MSCI indices. The MSCI indices are the sole property of MSCI, and the MSCI indices are trademarks registered by MSCI and its subsidiaries and have been licensed, for specific purposes, by Amundi Asset Management. Neither MSCI, nor any subsidiary of MSCI, nor any of the entities involved in producing or calculating the MSCI indices have made any statement or any warranty, either expressed or implied, to holders of units in the Sub-Fund or, more generally, to the general public, concerning the merits of trading in units of investment funds in general or in units of this Fund in particular or the ability of any MSCI index to track the performance of the global equities market. MSCI and its subsidiaries are the owners of certain names, registered trademarks and the MSCI indices, which are determined, constructed and calculated by MSCI without any consultation with Amundi Asset Management or the Sub-Fund. Neither MSCI, nor any MSCI subsidiary, nor any of the entities involved in the production of the MSCI indices are obliged to take into consideration the needs of Amundi Asset Management or holders of the Sub-Fund's units when determining, constructing or calculating the MSCI indices. Neither MSCI, nor any MSCI subsidiary, nor any of the entities involved in the production of the MSCI indices make any decision concerning the launch date, pricing, quantity of the Sub-Fund's units or the determination and calculation of the formula used to establish the Sub-Fund's net asset value. Neither MSCI, nor any MSCI subsidiary, nor any of the entities involved in the production of the MSCI indices accept any responsibility for or obligations concerning the administration, management or marketing of the Sub-Fund. Although MSCI obtains data incorporated or used in the calculation of indices originating from sources that MSCI believes to be reliable, neither MSCI, nor any other party involved in the creation or calculation of the MSCI indices guarantees the accuracy and/or the completeness of the indices or any incorporated data. Neither MSCI nor any party involved in the creation or calculation of the MSCI indices makes any warranties, expressed or implied, concerning the results that the holder of a MSCI license, customers of said licensee, counterparties, fund unit holders or any other person or entity will achieve from the use of the indices or any incorporated data in relation to the rights licensed or for any other purpose. Neither MSCI nor any other party makes any warranties, expressed or implied, and MSCI disclaims any warranties concerning the commercial value or suitability for a specific purpose of the indices or incorporated data. Subject to the foregoing, under no circumstances shall MSCI or any other party be held liable for any loss, be it direct, indirect or other (including loss of earnings) even if it is aware of the possibility of such a loss.

## Important information

This document is provided for information purposes only and does not constitute a recommendation, a solicitation, an offer, advice or an invitation to purchase or sell any units or shares of the fund (FCP), collective employee fund (FCPE), SICAV, SICAV sub-fund or SICAV investing primarily in real estate (SPPICAV) (collectively, "the Funds") described herein and should in no case be interpreted as such. This document is not a contract or commitment of any form. Information contained in this document may be altered without notice. The management company accepts no liability whatsoever, whether direct or indirect, that may arise from the use of information contained in this document. The management company can in no way be held responsible for any decision or investment made on the basis of information contained in this document. The information contained in this document is disclosed to you on a confidential basis and shall not be copied, reproduced, modified, translated or distributed without the prior written approval of the management company, to any third person or entity in any country or jurisdiction which would subject the management company or any of the funds, to any registration requirements within these jurisdictions or where it might be considered as unlawful. Not all of the funds are systematically registered in all jurisdictions of all investors. Investment involves risk. The past performances shown in this document, and simulations based on these, do not guarantee future results, nor are they reliable indicators of future performance. The value of an investment in units or shares of the funds may fluctuate according to market conditions and cause the value of an investment to go up or down. As a result, fund investors may lose all or part of the capital originally invested. All potential investors in the funds are advised to ascertain whether such an investment is compatible with the laws to which they are subject and the tax implications of such an investment prior to investing, and to familiarise themselves with the legal documents in force for each fund. Concerning mandates, this document is a part of the periodic statement of the management activities of your portfolio and must be read in conjunction with any other periodic statement or notice of confirmation provided by your custodian and related to the transactions of your portfolio. Unless stated otherwise, the management company is the source of the data in this document. The date of the data in this document is that indicated at the top of the document, unless otherwise stated.
