Amendment to the Prospectus and the Key Investor Information Document of the Sub-Fund

Terms not specifically defined herein shall have the same meaning as in the articles of incorporation (the "**Articles**") and in the latest Prospectus of the Company.

Luxembourg, December 09, 2022,

Dear Shareholders,

The Management Company and the board of directors of the Company hereby inform the Shareholders that they have decided the changes detailed below in relation to the Sub-Fund (the "**Changes**"). The Changes relative to the Sub-Fund will be performed between January 10, 2023 and February 10, 2023. During this period, the Sub-Fund may not be able to comply with its investment objective. Once the Changes have been implemented a notice will be made available on www.amundi-etf.com confirming the effective date of the Changes (the "**Effective Date**").

1) Change of the Index

The Index tracked by the Sub-Fund will change from the Previous Index to the New Index (the "**Index Switch**") as specified in the following table:

Previous Index	New Index
Bloomberg Barclays MSCI EUR Corporate Liquid SRI Sustainable Index	Bloomberg MSCI Euro Corporate Paris Aligned Green Tilted Index

The aim of this change is to provide the Shareholders with an exposure to the New Index that is representative of the Euro denominated investment grade corporate bond market and which intends to meet and exceed the minimum standards of the EU Paris-aligned Benchmarks (the "**EU PAB**") required under delegated acts supplementing Regulation (EU) 2019/2089 amending Regulation (EU) 2016/1011 (the "**Benchmark Regulation**").

The New Index is compiled, administered and managed by Bloomberg.

A full description of the New Index and its construction methodology and information on the composition and respective weightings of the New Index components are available on the index provider's website at www.bloomberg.com/indices and in the Prospectus.

2) Change of the name and name of the classes of shares of the Sub-Fund

As an on-going effort of improvement of its range, the Management Company wishes to rename the Sub-Fund and the classes of shares of the Sub-Fund as follows:

Previous name of the Sub-Fund before the Effective Date	New name of the Sub-Fund after the Effective Date
Lyxor ESG Euro Corporate Bond (DR) UCITS ETF	Amundi EUR Corporate Bond Climate Net Zero Ambition PAB

Sub-Fund (new name)	Previous name of the classes of shares before the Effective Date	New name of the classes of shares after the Effective Date

The Sub-Fund will otherwise retain the codes used in trading and the total fees.

The Sub-Fund will bear the costs associated with these changes. The attention of the Shareholders is drawn to the fact that the costs linked to these changes could have a negative impact on the net asset value of the Sub-Fund.

- **In case where the Shareholders do not agree with these changes, the Shareholders who usually subscribe or redeem Shares in the Sub-Fund on the primary market may redeem their Shares without fee during a period of one month as from the date of this notice.**

Nevertheless, for UCITS ETF share classes, placing an order on the secondary market will trigger costs over which the management company of the Sub-Fund has no influence.

Please note that Shares that are purchased on the secondary market cannot generally be sold back directly to the Sub-Fund. As a result, investors operating on the secondary market may incur brokerage and/or transaction fees on their transactions. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

- **In case where the Shareholders agree with these changes, no action is required from the Shareholders.**

Following the implementation of these changes, the Prospectus and the Key Investor Information Document of the Sub-Fund will be amended accordingly.

The Prospectus and Key Investor Information Documents of the Sub-Fund will be made available by the Management Company upon request, or may be consulted on the following website: www.amundi.com and www.amundiETF.com on or around the Effective Date.

Yours sincerely,

For the Board of Directors
