The aim of the Switch is to provide the Shareholders with an exposure to the performance of a strategy that reweights securities based upon the opportunities and risks associated with the climate transition to meet the EU Climate Transition Benchmark (EU CTB) regulation minimum requirements with retaining the exposure to the same geographic area.

These changes will be reflected in the next Prospectus.

- **In case where the Shareholders do not agree with the Switch, the Shareholders who usually subscribe or redeem Shares in the Sub-Fund on the primary market may redeem their Shares without fee (except for the fees acquired by the Sub-Fund to prevent dilution of shareholders investment), during a period of one month as from the date of this notice which is only notified on the Company's website dedicated to shareholders notices as permitted by the Prospectus.**
- **We draw Shareholders' attention to the fact that if the Sub-Fund's Shares are sold on a market or exchange, the Shareholders may be charged broker fees on to the sale of (a) Share(s) in the Sub-Fund.**
- **In case where the Shareholders agree with the Switch, no action is required from the Shareholders.**

The latest Prospectus and Key Documents are available on request free of charge at its registered office.

Yours faithfully,

The Board
