

**NOTICE TO UNITHOLDERS OF THE
AMUNDI ETF MSCI HIGH DIV UCITS ETF MUTUAL FUND
(the "Fund")**

*The capitalised terms appearing in this letter correspond to the terms defined in the Fund prospectus (the "**Prospectus**").*

Paris, 10 June 2025,

Dear Sir/Madam,

You hold units in the Fund for which the management company is Amundi Asset Management (hereinafter "**Amundi**" or the "**Management Company**").

This notice hereby informs you that the Management Company for the Fund has decided to change the method for replicating the MSCI EMU High Dividend Yield strategy index (the "**Benchmark Index**") for the Fund with effect from 27th June (the "**Effective Date**").

Therefore, on the Effective Date, the Fund will switch from an indirect replication approach using a total return swap ("**TRS**") to a direct replication approach involving investing directly in a basket of assets comprised of (i) securities that make up the Benchmark Index and/or, (ii) financial instruments that are representative of all or some of the securities that make up the Benchmark Index.

In order to optimise the direct replication method that is used to track the Benchmark Index, the Management Company may decide to employ a "sampling" technique that involves investing in a selection of representative securities that make up the Benchmark Index in order to reduce the costs of investing directly in all of the various Benchmark Index constituents.

The Fund may also use securities lending transactions. 20% of assets under management are expected to be potentially included in securities lending transactions, with up to 45% maximum permitted (the specific risks associated with using these transactions will be set out in the Prospectus).

In order to reflect these changes, the "Investment Strategy" section of the Fund's Prospectus will be amended.

The Fund will pay the transaction costs associated with this change.

The Fund Prospectus and Key Information Document (KID) will be amended accordingly on the Effective Date.

Please note that you must read the Fund Prospectus and Key Information Documents (KID), which are available at www.amundiETF.fr. They can also be found on the AMF website, www.amf-france.org, or can be provided upon request by the Management Company.

For more details, please contact your usual financial adviser, or get in touch at www.amundi.fr, on the "Contact us" page.

Thank you for the trust you have placed in us. Yours faithfully,

AMUNDI ASSET MANAGEMENT
