

Paris, 31 May 2024

Dear Sir/Madam,

Thank you for holding in your portfolio one or more shares of the **Amundi Russell 1000 Growth UCITS ETF**, a fund of the **Multi Units France SICAV**.

On 9 July 2024, your fund will be absorbed by the Amundi ETF ICAV – Amundi Russell 1000 Growth UCITS ETF, a fund of the Amundi ETF ICAV. In concrete terms, this means that you will thereafter hold shares of the **Amundi ETF ICAV - Amundi Russell 1000 Growth UCITS ETF**, replacing your shares of the Amundi Russell 1000 Growth UCITS ETF.

The details of this transaction are explained in the attached document entitled "Notice to shareholders: Amundi Russell 1000 Growth UCITS ETF". Approved by the Autorité des Marchés Financiers (French Financial Markets Authority - AMF), this notice contains all of the information required for these transactions, in accordance with the regulations in force. This comprehensive and detailed document will help you to familiarise yourself with the potential implications of these transactions for your investment. We would therefore recommend that you read it carefully.

Your usual financial adviser will gladly provide any additional information that you may require.

For further information, please contact client services on +(352) 4212030 or send an email to info_de@amundi.com.

Yours faithfully,

AMUNDI ASSET MANAGEMENT

MERGER OF THE FUND

Amundi Russell 1000 Growth UCITS ETF,
a fund of the **Multi Units France SICAV** (ISIN code: FR0011119171)

in **Amundi Russell 1000 Growth UCITS ETF,**
a fund of the **Amundi ETF ICAV** (ISIN code: IE0005E8B9S4)

(the "**Merger**")

The capitalised terms appearing in this letter correspond to the terms defined in the prospectus.

Dear Sir/Madam,

Thank you for holding shares of the sub-fund **Amundi Russell 1000 Growth UCITS ETF**, a fund of the **Multi Units France SICAV** (the "**Absorbed Fund**") managed by the management company AMUNDI ASSET MANAGEMENT ("**Amundi AM**").

What changes will be made to the Absorbed Fund?

As part of the ongoing review of the competitiveness and clarity of its range of products, and with the aim of generating more efficiency in the interest of investors, the management company Amundi AM has decided to merge your Amundi Russell 1000 Growth UCITS ETF, a fund of the Multi Units France SICAV, into the Amundi Russell 1000 Growth UCITS ETF, a fund of the Amundi ETF ICAV (hereinafter the "**Receiving Fund**") on 9 July 2024.

The Merger does not result in a change to the risk/return profile, the SRI risk indicator or the management fees and other administrative or operating costs.

Following the transaction described below, you will become a shareholder of the Amundi Russell 1000 Growth UCITS ETF, a fund of the Amundi ETF ICAV, managed by Amundi Ireland Limited, an Irish management company authorised by the Central Bank of Ireland ("CBI").

The Merger is a "cross-border" Merger as set out in Articles 37 et seq. of Directive 2009/65/EC (UCITS IV Directive). The Merger involves two UCITS which are governed by different laws.

We would like to draw your attention to the fact that, from 9 July 2024, if you wish to participate in the merger described below, any questions and disputes relating to your rights and obligations as a shareholder of the Amundi ETF ICAV will be subject to the regulations and jurisdiction of the Irish courts.

Important information for UK investors

✓ UK retail investors.

The Absorbed Sub-Fund is currently registered with the UK's Financial Conduct Authority (the "FCA") for distribution to all investors under the FCA's Temporary Marketing Permissions Regime ("TMPR"). The legal fund structure under which the Absorbed Sub-Fund sits will however be transferred outside of the TMPR in July 2024.

The TMPR was originally intended to allow firms based within the European Economic Area to continue marketing funds into the UK for up to three years after the end of the Brexit transition period, provided they notified the FCA of their intention to do so prior to 31 December 2020. It was subsequently extended to five years i.e. to the end of 2025 for UCITS funds.

The window for registration is closed, so funds which were not registered prior to end 2020 cannot now be marketed into the UK. That applies to legal entities too, and because the Amundi ETF Irish Collective Asset Management Vehicle – the umbrella structure under which the Receiving Sub-Fund sits – was launched after 31 December 2020 it cannot benefit from TMPR.

The transfer will have the following implications for your investment:

- (a) The Receiving Sub-Fund will not be listed on the London Stock Exchange, which may mean that you are no longer able to trade shares in it as you once did with the Absorbed Sub-Fund. You may wish to contact your ISA account manager to find out more about what this means for you
- (b) Your existing investments in the Absorbed Sub-Fund will no longer benefit from tax exemptions such as those enjoyed in the Individual Savings Account ("ISA") wrapper (see below).

Individual Savings Accounts:

As the Receiving Sub-Fund is not recognised under the UK TMPR and does not otherwise meet the necessary conditions, shares in it will not qualify to be held in an ISA. If you currently hold shares in the Absorbed Sub-Fund through an ISA, it will therefore be necessary for you to arrange for those existing shares to be sold prior to the Merger, or for your relevant ISA account manager to take the appropriate action for you in order to preserve the full weight of the tax benefits attaching to your ISA.

Should you choose not to do anything, your ISA account manager should take the appropriate actions on your behalf, but we cannot guarantee when.

You should note that shares which are currently held indirectly in the Absorbed Sub-Fund through an ISA via a fund of funds (whether UK-authorized or EEA UCITS-recognised under TMPR), or any other arrangement that is a qualifying investment for ISA purposes, should not be affected by this merger.

Self-invested personal pensions:

The Receiving Sub-Fund is eligible for self-invested personal pension (SIPP) purposes under UK tax law. Nevertheless, each SIPP provider may impose its own restrictions.

If you are in any doubt about the course of action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional advisor.

✓ UK professional investors and fund managers

The Absorbed Sub-Fund is currently registered with the UK's Financial Conduct Authority (the "FCA") for distribution to all investors under the FCA's Temporary Marketing Permissions Regime ("TMPR"). From July 2024, that will no longer apply. The Receiving Sub-Fund will instead be registered with the FCA under the UK's National Private Placement Regime ("NPPR") which will ensure it remains accessible to professional investors and fund managers.

This change means the Receiving Sub-Fund will be listed on a European stock exchange (e.g., Xetra) but will no longer be listed on the London Stock Exchange.

When will this transaction take place?

This transaction will take effect on 9 July 2024 (the "**Effective Date**").

For investors trading on the primary market:

In order to ensure the successful completion of this transaction, you will not be able to subscribe for new units or request the redemption, free of charge, of your units on the primary market **from 2 July 2024 after 6.30pm until 8 July 2024**. As the Absorbed Fund has a daily valuation, the last net asset value of the Absorbed Fund on which subscriptions or redemptions may be executed prior to the Merger transaction will be the net asset value of 2 July 2024.

If you do not agree with this change, you may redeem your units free of charge up until 6.30pm CET on 2 July 2024. For more information, please take a look at the "Key things for the investor to remember" section below.

For investors trading on the secondary market:

The Absorbed Fund is an Exchange Traded Fund (ETF). Therefore, **investors who are not Authorised Participants must, in principle, buy or sell the shares of the Absorbed Fund on the secondary market**. An order to buy or sell shares of the Absorbed Fund on the secondary market may be placed up until 8 July 2024. **However, placing such an order will result in costs that will not be borne by the management company of the Absorbed Fund.**

Investors will also trade at a price that reflects the existence of a bid-ask spread. These investors are advised to contact their usual broker for further information on the brokerage fees that may apply to them and on the bid-ask spreads that they may incur.

Please note that investors participating in the Merger will receive, in exchange for their shares of the Absorbed Fund, shares of the Receiving Fund, which may also be bought or sold on the secondary market.

What is the impact of this change on the risk and reward profile and/or on the risk/return profile of your investment?

- **Change to the Risk/Return profile:** No
- **Increased risk profile:** No
- **Potential fee increase:** No
- **Scope of changes to the risk and reward profile and/or in the risk/return profile:** Not significant

What is the impact of this change on your tax position?

Investors' attention is drawn to the fact that the merger by absorption may have an impact on their personal tax position, insofar as (i) the Absorbed Fund is established in France while the Receiving Fund is established in Ireland, (ii) and also on account of the merger transaction itself.

Investors are advised to contact their usual financial adviser in order to assess the possible impact of the Merger on their personal tax position.

What are the main differences between the Absorbed Fund in which you currently hold shares and the future Receiving Fund?

The Absorbed Fund and the Receiving Fund share similar characteristics, notably in terms of target asset class, geographical exposure and indices tracked, but differ in some respects, in particular in terms of investment policy and service providers. Both funds seek to provide exposure to the performance of the large cap segment with growth potential of the US market, and form part of a company structure (SICAV and ICAV).

Key things for the investor to remember

If you accept the terms, upon completion of this transaction, you will receive, in return for your shares of the Absorbed Fund, shares of the Receiving Fund.

If, however, you do not accept the terms of this transaction, you have the option at any time, free of charge (excluding redemption fees retained by the Absorbed Fund), to withdraw within 30 calendar days of the date of receipt of this letter if you are a primary market participant (subscription/redemption directly from the management company) by requesting redemption of your units from the management company and/or its depository, under the minimum redemption amount conditions described in the prospectus, or to sell your current units or the shares received in exchange on the secondary (exchange) market, under your financial intermediary's usual terms and conditions. This redemption would then be subject to the provisions of ordinary law taxation applying to capital gains made on the disposal of transferable securities. Intermediary fees may apply over which the Management Company has no influence (such as brokerage fees relating to sales orders completed on the stock exchange and charged by your financial intermediary).

You may proceed with the sale of your units of the Absorbed Fund on the stock exchange up until 8 July 2024.

Your usual contact person will gladly help you to find the solution that best suits your investor profile.

Unitholders for the Absorbed Fund are advised to carefully read the Prospectus and the Key Information Document for the Receiving Fund, which are available online at www.amundiETF.com, or to request them from the Receiving Fund's management company at the following address:

Amundi Ireland Limited,
One George's Quay Plaza,
George's Quay,
Dublin 2, Ireland

or from the Absorbed Fund's management company: Amundi Asset Management, 91 boulevard Pasteur, 75015 Paris.

Thank you for taking the time to read this letter. Yours faithfully,

AMUNDI ASSET MANAGEMENT

Benoit SOREL

Head of the ETF, Indexing and Smart Beta Business Line of Amundi Asset Management

APPENDIX 1

Exchange of Securities

On the Effective Date of the Merger, the assets and liabilities of the Absorbed Fund will be transferred to the Receiving Fund, and shareholders of the Absorbed Fund who have not requested the redemption or conversion of their shares will automatically receive shares of the Receiving Fund and, if applicable, a residual cash payment. From that date, these shareholders will acquire rights as shareholders of the Receiving Fund, and will therefore participate in any increase or decrease in the net asset value (NAV) of the Receiving Fund.

The exchange ratio of the Merger will be calculated on the Effective Date of the Merger by dividing the net asset value per relevant share class of the Absorbed Fund, based on the NAV on the date indicated in Appendix 2, by the NAV of the corresponding share class of the Receiving Fund on the same date. If the share classes of the Absorbed Fund and the Receiving Fund are denominated in different currencies, the exchange rate between these reference currencies will be the exchange rate on the last NAV date of the Absorbed Fund.

A share class of the Receiving Fund will be specifically activated to effect the exchange with the corresponding share class of the Absorbed Fund. For each share of the Absorbed Fund held, shareholders will receive one share of the corresponding share class of the Receiving Fund.

APPENDIX 2
Summary Timeline

Event	Date
Suspension of subscriptions/ redemptions on the primary market	2 July 2024 after 6.30pm CET
Suspension of redemptions on secondary market	8 July 2024 (at market close)
Date of the NAV applied for the Merger	8 July 2024
Effective Date of the Merger	9 July 2024*

* or any later time and date that may be determined by the board of directors of the Absorbed Fund and the Receiving Fund, and notified in writing to shareholders. If the boards of directors, where applicable, approve a later Effective Date of the Merger, they may also make subsequent adjustments to the Effective Date of the Merger, as they deem appropriate.

APPENDIX 3
Conversion to cash

Prior to the Merger, all assets of the Absorbed Fund will be sold so that only cash is transferred to the Receiving Fund. This transaction will be completed just before the Merger, depending on market conditions and in the best interest of the shareholders, so that the period between the conversion to cash and the subsequent reinvestment is as short as possible.

During this short period prior to the Merger, the Absorbed Fund might not be able to meet its investment limits and investment objective. As a result, there is a risk that the performance of the Absorbed Fund may deviate from its expected performance for a short period prior to the Merger.

The Absorbed Fund will bear all transaction costs associated with this transaction as and when they fall due. Shareholders holding units of the Absorbed Fund during this period will therefore be subject to these costs.
