

Charges

The charges and fees paid are used to cover the costs of running the Fund, including the costs of marketing and distributing shares. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	Not applicable to investors on the secondary market*
Exit charge	Not applicable to investors on the secondary market*
The percentage indicated is the maximum that can be deducted from your capital before it is invested (entry) or redeemed (exit).	
Charges levied by the SICAV over a year	
Ongoing charges	0.30% of average net assets
Charges levied by the SICAV in certain circumstances	
Performance fee	0

***On the secondary market:** The Fund is an ETF, so investors who are not Authorised Participants should in principle buy or sell the Fund's shares on the secondary market. On the secondary market, investors can be subject to brokerage fees and/or transaction fees related to the placement of their purchase/sale order on the relevant stock exchange. These fees are collected by market intermediaries and are not levied by/returned to the Fund or the Management Company. Investors may also pay an additional amount as a result of the difference between the sale price and the purchase price of the Fund's shares (bid-ask spread).

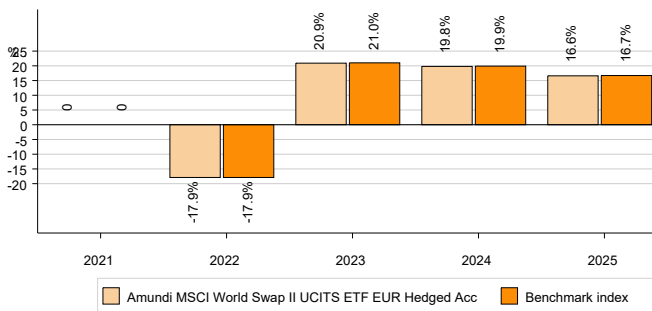

On the primary market: Authorised Participants who subscribe/redeem their shares with the Fund directly will pay the costs applicable to the primary market of the Fund as described in section 4 of the prospectus

The **ongoing charges** are based on the figures for the current year. This percentage may vary from year to year. It excludes:

- Performance fees,
- Brokerage fees, except for the entry and exit charges paid by the UCITS when buying or selling units in another Fund.

For more information about the charges of this Fund, please refer to the "Costs and Fees" section of the Fund's prospectus, which is available at amundiETF.com.

Past performance

Performance is not constant over time and is no guarantee of future performance.

The year-on-year performances presented in this chart are calculated after deduction of all fees charged by the Fund.

The SICAV was formed on 06 September 2018.

The reference currency is the euro.

The Fund replicates the Benchmark Index and implements an exchange hedging strategy. This strategy follows the exchange hedging methodology of the index provider as accurately as possible. The Fund's performance is thus compared to that of the exchange-hedged index whose methodology is followed by the Fund.
