Amendment to the Prospectus of the Company in relation to the Sub-Funds

Terms not specifically defined herein shall have the same meaning as in the articles of incorporation (the "**Articles**") and in the latest Prospectus of the Company.

Luxembourg, May 15, 2023,

Dear Shareholders,

We hereby inform you that the following change, as described in the present notice, will be effective at the **opening of June 1, 2023** (the "**Effective Date**") in relation to the Sub-Funds.

Hence, from the Effective Date:

Change of the maximum anticipated level of the tracking error for the Sub-Funds

The Board of Directors and the Management Company have decided to modify the maximum anticipated level of the tracking error ("**TE**") under normal market conditions expected for the Sub-Funds (the "**Modification**") as follows:

Sub-Fund	Previous anticipated level of TE of the Sub-Fund	New anticipated level of TE of the Sub-Fund
Lyxor DAX (DR) UCITS ETF	0.20%	1%
Lyxor DAILY LevDAX UCITS ETF	0.40%	1%
LYXOR HONG KONG (HSI) UCITS ETF	0.50%	2%

Those changes intend to simplify the understanding of our range and to harmonise the maximum anticipated tracking error levels for the Sub-Funds offering similar exposure.

Please note that no change in the effective level of tracking error is expected under normal market conditions in connection with this modification.

Importantly the Modification does not represent a change of the investment objective nor the investment policy of the Sub-Funds. The other characteristics of the Sub-Funds remain unchanged.

Following the implementation of this modification, the Prospectus will be amended accordingly.

The Prospectus and Key Information Documents of the Sub-Funds will be made available by the Management Company upon request or may be consulted on the following website: www.amundi.com and www.amundi-etf.com on or around the Effective Date.

Yours sincerely,

For the Board of Directors
