The Board has decided to proceed with the Change of Benchmark Index of the Receiving Sub-Fund as from the Change of Benchmark Index Effective Date (as described in Appendix I). As a consequence, the main changes in the Receiving Sub-Fund are set out in the table below:

	Before the Change of Benchmark Index Effective Date	After the Change of Benchmark Index Effective Date
Name of the Receiving Sub-Fund	Amundi Index Euro Corp BBB 1-5	Amundi EUR Corporate Bond 1-5Y ESG
Benchmark Index of the Receiving Sub-Fund	Bloomberg Euro Corporate BBB 1-5 Year Index	Bloomberg MSCI Euro Corporate 1-5 Year ESG Sustainability SRI Index
Sustainable Finance Disclosure Regulation Classification	Article 6	Article 8, as defined in the prospectus, which relates to products promoting environmental or social characteristics.

The aim of this change is to provide the Shareholders of the Receiving Sub-Fund with an exposure to the Bloomberg MSCI Euro Corporate 1-5 Year ESG Sustainability SRI Index. Bloomberg MSCI Euro Corporate 1-5 Year ESG Sustainability SRI Bond Index is a fixed-rate, investment-grade corporate bond index that follows the rules of the Bloomberg Euro Aggregate Corporate Index (the "Parent Index") and applies additional ESG criteria for security eligibility.

As from the Change of Benchmark Index Effective Date, a full description of the index, its construction methodology and information on the composition and respective weightings of the index components are available on the index provider's website at [bloomberg.com](https://www.bloomberg.com) and in the Prospectus of the Receiving Sub-Fund.

The Receiving Sub-Fund will bear any transaction costs associated with this change as and when incurred.

B. Impact of the Merger on Shareholders of the Receiving Sub-Fund

On the Merger Effective Date (as described in Appendix I), all the assets and liabilities of the relevant Absorbed Sub-Fund will be transferred to the Receiving Sub-Fund. Shareholders in the Receiving Sub-Fund should benefit from the increased investment capacity in the Receiving Sub-Fund and the economies of scale this Merger should allow to achieve.

Like the Receiving Sub-Fund, the Absorbed Sub-Fund is a compartment of a Luxembourg undertakings for collective investment in transferable securities (UCITS) subject to investment rules substantially similar to those of the Receiving Sub-Fund. Where required, the portfolio of the Absorbed Sub-Fund will be adjusted prior to the Merger so that no rebalancing of the Receiving Sub-Fund's portfolio will be required before or after the Merger.

On implementation of the Merger, shareholders in the Receiving Sub-Fund will continue to hold the same shares in the Receiving Sub-Fund as before and there will be no change in the rights attaching to such shares. Except for the characteristics related to the Change of Benchmark Index, other characteristics of the Receiving Sub-Fund will remain the same after the Merger Effective Date and the implementation of the Merger will not affect the fee structure of the Receiving Sub-Fund.

Shareholders are however advised to contact a tax adviser and to clarify individually any possible tax consequences resulting from the Merger.

C. Terms and Conditions of the Merger

Please note that shares that are purchased on the secondary market cannot generally be sold back directly to the Receiving Sub-Fund. As a result, investors operating on the secondary market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the management company of the Receiving Sub-Fund has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

Such a redemption would be subject to the ordinary rules of taxation applicable to capital gains on the sale of transferable securities.

Any subscription, conversion or redemption request on the primary market received by the Receiving UCITS, the Receiving UCITS' management company, the Distribution, Paying or Information Agent by the applicable cut-off time on the Merger Effective Date will be processed on the first following day that is a Business Day.

The Operations will be binding on all the shareholders of the Receiving Sub-Fund who have not requested the redemption or the conversion of their shares in the Receiving Sub-Fund in accordance with this Paragraph C.

The cost of the Merger will be fully supported by the management company of the Receiving Sub-Fund.
